Hello Charlie & Jill,

Hope all is well down your way and would just like to end the year with a run down of the things that were presented to Port Moresby Grammar School in 2009:

- 1369 books from various backgrounds and suitable for a wide reading age. A number of trekkers wrote a small note in the front of some books which was very well received. Nice touch!
- Clothing like packets of T/shirts, sports apparel, hats, handkerchiefs, oddities of varying other aspects.
- Stationary which included: _ Packets of pencils
  _ Sharpeners, rulers, pencil cases, glues
  _ Pads & note books
  _ Pens and scissors.
  _ Rubbers
  _ A few calculators.
  _ The odd bit of cash and a $100- cheque
  _ Bags and travel materials
  _ A couple of desk clocks.
  _ Learning Cards.
  _ Crayons
  _ Packets of colored chalk.

_ Scribblers & packets of exercise books.

- Medical materials of a wide variety: _ 2 X BHP field medical kits. (Fully equipped)
  _ 1 X small medical kit
  _ Numerous medications no longer required by individual trekkers.
  _ Some books on medical matters and first aid.

- Sporting equipment & games: _ Soccer balls (6)
  _ Tennis Balls (33)
  _ Rugby Balls (2)
  _ Aussie Rules (2)
  _ Ball pumps (4)
  _ Some whistles.

- There were a number of promises and I'm sure that things will come to fruition in the very near future.

All in all Charlie and Jill the efforts of Adventure Kokoda throughout 2008 were excellent and on behalf of the

Board of Directors and the whole Grammarian Community I would like to extend our deepest thanks for the generosity of all the Trekkers.

Have a nice Christmas,

Mike
